

# This Ain't a Love Song This is Goodbye

Intro Riff

## Verse 1

Every night I remember that evening  
 The way you looked when you said you were leaving  
 The way you cried as you turned to walk away  
 The cruel words and the false accusations  
 The mean looks and the same old frustrations  
 I never thought that we'd throw it all away  
 But we threw it all away.

## Chorus

And I'm a little bit lost without you  
 And I'm a bloody big mess inside  
 And I'm a little bit lost without you  
 This aint a love song this is goodbye (oooooh)  
 This aint a love song this is goodbye (ooooh)

## Verse 2

I've been lost, I've been losing  
 I've been tired, I'm all hurt and confusion  
 I've been mad, I'm the kind of man that I'm not  
 I'm going down, I'll be coming back fighting  
 I may be scared and a little bit frightened  
 But I'll be back, I'll be coming back to life  
 I'll be coming back to life

## Chorus .....

## Middle 8

And you can try (you can try)  
 And you can try but you'll never keep me down  
 And you can try (you can try)  
 And you can try but you'll never keep me down
